

Testimonials

From Jolly Trainers' Conference, July 2018

Thank you for an amazing session. You have inspired me to bring Jolly Music to Malaysia.

Mei Yen Wong

This morning's training was truly wonderful. Being able to see how Jolly Music built up the confidence in all of us was amazing. Thank you so much. Bless you.

Creena Wong

Thanks for sharing your knowledge and making us believe in ourselves. It was so inspiring.

Mercedes Rosales

You have enlightened me with your knowledge in music, and shown me teaching skills that work well with weeds and flowers alike! I can't thank you enough.

Winnie Pang

The training made me feel more confident about training music!!

Coral George

..Thanks for your wonderful inspiration and calm relaxed classes. I learned so much...

..We all love your classes and soak up all you give to us...

..my beautiful mentor...

..I appreciate your expertise and warm view of life...

..You have affected me with your kindness of spirit...

..amazingly talented...

..I look up to you SO much! Many many of us do...

..You have such a naturalness when you teach...

..You teach with kindness and reality...

Gillian Taylor Jack

...it was fascinating to see how you went about continuously testing the children and expanding their horizons in a subtle but clearly very effective way.

Emilie Bokor-Ingram, parent

..thank you for another stellar lesson!

Paris Solomon

I love my weekly lesson so much – it's better than therapy!
